

A Panorama from Aiguille du Midi & Montenvers - Mer de Glace

Full Day

High-mountains at an arm's reach!

The most famous mountain tram in the world reaches the top of Aiguille du Midi at 3 842 meters in only 20 minutes !

This high-mountain area provides a unique 360° panoramic view over the entire Mont-Blanc massif, and the high summits of the nearby mountain regions of Switzerland and Italy.

Then, the famous Montenvers cog train leaves from Chamonix and takes you to the edge of Mer de Glace in only 20 minutes !

The Montenvers terrace offers a spectacular view over the Drus peaks, Aiguille Verte, the Grandes Jorasses mountain , and many other summits overlooking the glacier.

While describing these legendary peaks, a certified Mountain Leader will give accounts of historical events and tales of our valley.

A trip not to be missed !
