**The Second International Conference on Fundamentals and  
Advances in Software Systems Integration**

**FASSI 2016**

**July 24 - 28, 2016 - Nice, France**

<http://www.aria.org/conferences2016/FASSI16.html>

**Important deadlines:**

|                     |               |
|---------------------|---------------|
| Submission deadline | March 9, 2016 |
| Notification        | May 1, 2016   |
| Registration        | May 14, 2016  |
| Camera ready        | June 14, 2016 |

**Tracks:**

**Process Integration**

Software Dependency; Interfaces; System Integration; Tools and Techniques; Middleware; Communication and Protocols.

**Data Integration**

Data Exchange; Security, Privacy and Trust; Data Modelling and Database Design; Transformation.

**Organizational Issues**

Software Release Management; Software Migration; Third Party Software; Legacy Software; Software Testing; Software Architecture and Standards; Software Project Organization; Team, Organization and National issues.

**Management and Control**

Software Project Management; Costs and Benefits; Software Risk Management; Ownership and Control; Impact Analysis; Stakeholder Analysis; Complexity; Change Management

**Modelling & Understanding:**

Software Modelling; Expert Knowledge; Software Components; Software Understanding; Symptoms; Cause and Effect; Architectural Mismatch; Topology; Reverse Engineering; Multi-Paradigm Modelling; Abstraction; Motivation and Drivers; Assumptions, Awareness and Conflict; Model Transformation.

**Programming and Design**

Software System Design; Software Development Lifecycle; Programming Languages and Concepts; Patterns; Reuse

**Applications**

Case Studies; Choices and Trade-offs; Lessons Learned
